ADM 9 – EMANCIPATED STUDENTS **(Board of Directors)**

AMEND THE CONSTITUTION AND BYLAWS to read: Page 72

Amend Rules by adding the following to bylaw 1830 which will read:

___ ___
yes no

1830.	**EMANCIPATED STUDENTS**

1830.1 Emancipated students must comply with the same eligibility rules as other students.

1830.2 Emancipated students may sign all documents relative to their interscholastic participation, if supported by appropriate legal documentation.

Rationale The current interpretation does not allow for an emancipated student to sign the necessary documents if under majority age when the courts have ordered the emancipation. Most, if not all, school districts, allow emancipated student to sign the necessary paperwork to enroll in school.
