**MID YEAR TRANSFER & ATHLETIC TRANSFER**

---

1800.6    Except as specifically provided in Bylaws through 1800.3, 1800.61, 1800.67, and 1800.7, any student who transfers schools after the beginning of the school year will not have varsity eligibility at the receiving school for the remainder of that school year and is subject to the provisions of Bylaw 1800.5 for the following school year for up to one calendar year after the school transfer. Any transfer substantially motivated by athletic considerations will cause the student to be ineligible for varsity competition for one calendar year from the date of the transfer in any sports(s) they participated in during the twelve months prior to the transfer.

EXCEPTION 1: A student, regardless of past participation as noted in 1800.62, who transfers schools at the beginning of the school year but after becoming a team member in a sport in any high school will be ineligible for varsity competition in that sport for the remainder of that sports season. A student becomes a team member when he/she reports for formal practice and is actively in contention for a position on the team.

For purposes of this rule, "the beginning of the school year" shall be defined as that period of time prior to a student's enrollment and attendance for 15 days or his/her participation in an interscholastic contest or scrimmage.

Students on an established enrollment waiting list at a school they wish to attend, but who have practiced at a different school prior to being accepted and enrolled at the school on whose waiting list they are listed may have eligibility through appropriate documentation from the new school's registrar that includes the date the student was placed on the waiting list and the date of acceptance at the new school.

Rationale    Provides a way for the student who has been on a waiting list for enrollment into a "closed" school can continue to participate even if that student had enrolled in another school while waiting.

Pros    Put kids on waiting lists on a level field with other students.  
Provides for appropriate documentation on the transfer.

Cons    None
