The Regional Tournament will be scheduled for Saturday, October 13, 2018. The number of 3A Regional qualifying teams will be a total of twenty-four (24) teams. The qualifiers for the Regional Tournament will be: Five (5) Regular Season District Champions; five (5) Regular Season District Runner-up teams; fourteen (14) RPI teams for a total of 24 total teams. All Regular Season District Champions (5) plus (3) RPI teams^ will serve as host sites for the Regional Tournament.

^The 3 RPI hosts will be selected based on the final Rating Percentage Index rankings.

-The Colorado 7 league schools may qualify into the Regional Tournament if they are ranked in the top 24 of the final Rating Percentage Index. An automatic qualifier not ranked in the top 24 may supersede a top 24 RPI ranked team from the bracket. Note: Teams that participate in a Multi-Class District/League may earn an automatic berth on the playoff bracket by placing first in their district/league.

The higher seeded team will be the home team throughout the Regional Tournament. The Regional Tournament host sites must have one adequate field with a fence at a dimension of the NFHS recommended 200-220 feet.

1. The District Champion will be the host team, but is not guaranteed the highest seed in the Region; teams will be seeded using the following criteria that is listed in no particular order; RPI, geography, league finish, strength of schedule, overall record and head-to-head. The seeding committee can move up or down district champions in order to be a top 12 seeded team. The committee can also move teams up or down to help with geography, competitive balance and to avoid league match-ups in the first round of the Regional Tournament.
2. District Champions will be guaranteed a top 12 seed in the Regional Tournament which will allow them to play as a host site.
3. Two teams from each regional will qualify for the State Tournament field of sixteen (16).
4. Regional Champions are guaranteed a top 8 seed at the State Tournament; the state tournament will be re-seeded following the completion of the Regional Tournament. The committee will use the same criteria as regional seeding. Committee may also move teams up or down to attempt to avoid playing the same team from the Regional Tournament in the first round of the state tournament.
5. Teams must play a minimum of 17 regular season games to be considered for Regional play. Inclement weather or catastrophe will be viewed as a reason not to be able to complete the required 17 game varsity schedule.

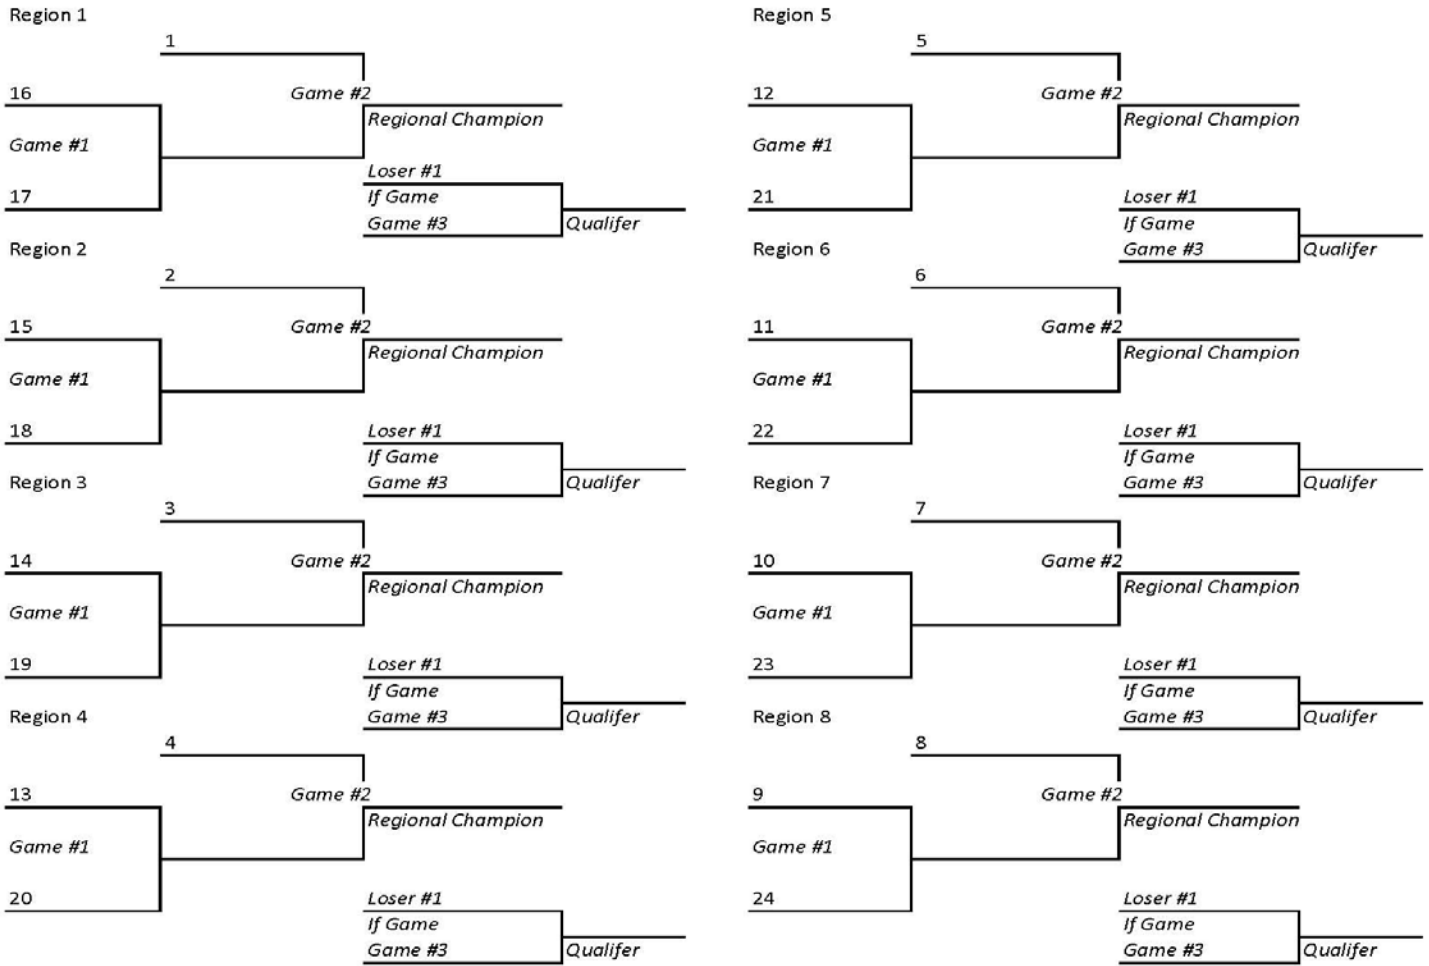

What happens if two teams are tied in the final RPI standings?

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Winning percentage
3. Opponents' winning percentage
4. Opponents' opponents winning percentage
5. Highest-rated win (according to the final RPI standings)
6. Next-highest rated win (exhaust all possibilities)
7. Coin flip

The only reason for the coin flip is as a last result if all other scenarios happen to be tied.

2018 3A REGIONAL BRACKET – October 13, 2018

1. The Regional Champions (8) are guaranteed to receive a seed of numbers 1 through 8 for the State Tournament.

2. Preferred Game times for Regional Bracket: Use of 1 field for play.

Game #1-10:00am Game #2-12:15pm Game #3-2:30pm (If Game)

3. The “If Game” (Game #3) will only be played if the higher seeded team “Seeds 1, 2, 3, 4, 5, 6, 7, and 8” loses game #2. The winner of game #2 and game #3 will then be the state qualifiers.

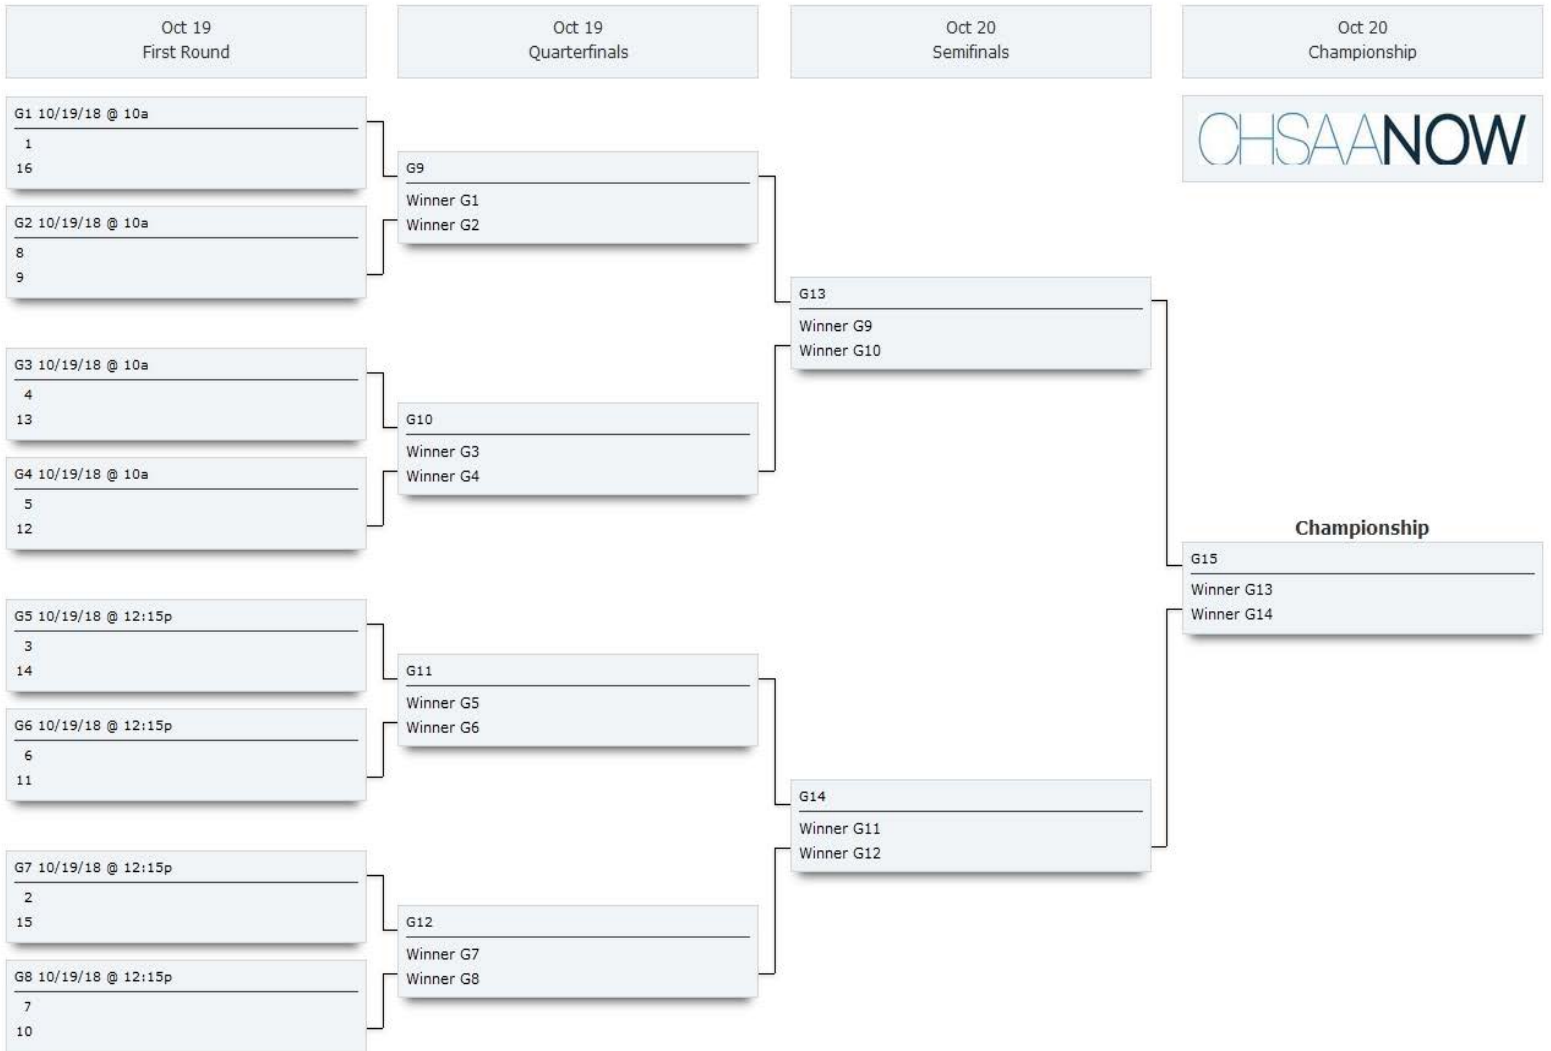

4. If the higher seeded team “Seeds 1, 2, 3, 4, 5, 6, 7, 8” wins game #2, game #3 will not be played and the two participants in game #2 will be the state qualifiers.

The higher seeded team on the regional/state bracket will be the “home team” and have the last at-bat for the tournament games. The higher seed team “home team” shall occupy the third base dugout.

Vista Ridge being the only team in their league (5A) will have the opportunity to qualify for the Regional Bracket through the final RPI ranking. The automatic qualifying numbers will be listed below the league name in the bulletin.

Multi-Class League Qualifiers – (Mullen and Ponderosa) An RPI Bid for Multi-Class Leagues can be selected by the seeding meeting utilizing the final RPI rankings. The seeding committee will utilize the same criteria listed for the tournament selection below. - 4A Automatic Qualifiers - 18 (eighteen) Automatic Qualifiers with 14 (fourteen) RPI Bids to be determined by the seeding committee utilizing the final Rating Percentage Index.

- RPI teams will be selected using Final RPI Rankings. Teams will be selected and placed on the tournament bracket by the seeding committee during the Seeding Committee Meeting on Monday, October 8, 2018.

The seeding committee will review the teams listed #17-32 and can adjust teams taking geography and potential league match-ups in the first round of Regional play.

- In classifications where an automatic qualifier does not appear in the top thirty-two (32) final RPI ranking, the automatic qualifier will supersede the final RPI ranking.

- The committee will utilize geography as a consideration in the placing teams on the bracket for regional play.

- The final RPI rankings published on the Monday of the seeding committee meeting will be the primary seeding consideration.

- State qualifiers from each region should not be paired together during first round play.
- If an upset occurred that involved a top (8) eight seeded team, the upset would create the original top (8) seeded team to be placed at a seed from number 9-12.

- **Tier 3 – School Complex** – A complex that meets the criteria of a sports complex and follows bulletin playoff host responsibilities criteria and is in close proximity and is approved by the CHSAA Office will be considered at a final resort.

Host schools must begin at Tier 1, if not accessible then move to Tier 2, if no School District Complex is available, move to Tier 3. Schools must follow the criteria written by the softball committee in order to be named a Regional Host Site. All steps must be approved by the CHSAA Office on/before Monday, October 8, 2018.

The following criteria must be met in order to host a 4A or 5A Regional Tournament.

- The site must have two (2) fields for play
 - The site must be able to charge a gate admission
 - **One (1) dozen Wilson A9011 game balls must be provided by the host school and one (1) dozen game balls will be provided by CHSAA.**
 - The outfield fence on both fields should be set at the NFHS recommended 200 220 ft. (Exceptions can be made if necessary, CHSAA Office approval required)

VI. INFORMATIONAL ITEMS:

- A. The committee recommended the following state association adoption: The International Tie Breaker may be implemented, at the site director's discretion, for sub-varsity tournaments after the 8th inning or after the established time limit has expired. Note: This recommendation is for sub-varsity tournament use only. A double first base is not permitted. Speed up rule is in place during the regular and post-season play (10 runs after 5 innings; 15-runs after 4 innings and 20-runs after 3 innings). Protests are not allowed as listed in the NFHS Rules Book. Once the game begins, the umpire along with the site manager will determine if the weather or ground conditions are unfit/fit for play. After 30 minutes, the umpire may declare the game suspended. The suspended game will resume and continue from the point of interruption.
- B. CHSSUA President – Bryan Brown, CHSSUA President Elect addressed the committee and informed them that the association gained 24 new umpires, however the association lost 9 working umpires in the past year. The CHSSUA set up a booth at the State Tournament to recruit and inform people that are interested in becoming involved in officiating games to which gained the association 5 new umpires. Brown stated that the CHSSUA will continue to encourage all coaches to complete evaluations, as the input could be utilized during the selection of playoff officials. It was reported that only 1 coach evaluated every game this season. Discussion was had by the committee members to make it easier for all coaches to evaluate the umpires and that the extra websites make it difficult to log on and remember to make the evaluation. Continued discussion with MaxPreps and the CHSAA will take place this spring to see if there is a better fit with them versus Arbitrator.
- CCGS President Khara West – President West sent a printed report from CCGS because she was unable to attend the committee meeting. 80 Athletes showcased in games on Nov 5, 2017 @ Christopher fields. Great weather (for state and CCGS All State games) Continued CHSAA support through bulletin and emails to ADs & coaches.
NEW - It is my understanding that we will be afforded by CHSAA to hang CCGS All-State banners at State (with QR code) to increase awareness of CCGS for younger Athletes. Some challenges through the year: the coaches present at selection meeting did not get information to player within the 24 hour request, so some athletes didn't know until 2 days later. *Solution:* Asking all coaches to include personal/work email and check email as it will be their responsibility to get information to player.

Additional challenges were conflicts with summer travel team. *Solution:* Asking coaches to check with their player - if they will be gone, then making sure that they are communicating this with other coaches in the league and not putting them in as the #1 position player (the "automatic").

New showcase tournament in CO this same weekend that pulls girls and college coaches away from our event. This year smallest amount of coach reps at selection meeting. Perception that if there is at least 1 coach going from our league, then I don't have to go. Not getting as many college coaches as hoping. *Solution:* will continue to send them "save the date" messages.

Parent confusion with an CHSAA "All State" posting - many parents were upset because they did not see their athlete on this posted list. *Solution:* explanation that we are a separate organization ...never had this issue before; not sure if this posting came out earlier than previous years?

Ballots -- Emailed coaches in September who turned in ballot from 2017 asking them to be the point person again for the 2018 ballot. 3A: all received but Colorado 7; 4A: all received but Colorado 7 & CSML; 5A: All received but PPAC or Denver leagues

West noted within her report that she cannot express how appreciative she is of CHSAA to support female athletes through our Organization.
