ACT 3

Report No.

I. MAJOR CHANGES FROM LAST YEAR'S REPORT:

- A. The committee is recommending a by-law change be considered to accurately reflect the process of selecting student state representatives. The process approved by by-law is student vote at summer leadership camp. The committee wants to move to selection of state representatives by application review at the previous year's fall leadership conference.

II. RATIONALE:

- A. The current process is cumbersome as it takes too much time away from the goals of the camp in what is already a busy agenda. Selecting state representatives the previous fall would allow the new state representatives to take a more active role at the following summer camp and fall conference and allow CHSAA staff to place those representatives on appropriate CHSAA committees.

III. FINANCIAL IMPACT:

- A. None
