

CHSAA LEGISLATIVE COUNCIL COMMITTEE REPORT
January 25, 2018

TENNIS

Ed Anderson, Chaparral High School
Chair

ATH 15
Report No.

I. MAJOR CHANGES FROM LAST YEAR'S REPORT:

- A. 2018 Girls' Regionals, 2018 Boys' Regionals finalized, and 2019 Girls' Regionals reviewed.
- B. Coaching is now allowed, off court, during all point, game and set breaks in a match as long as it doesn't disrupt any players or the continuous flow of the match.
- C. Regional Scheduling Format is mandatory.

II. RATIONALE:

- A. Annual review
- B. To allow for teaching and communication during the entire match, and not just every few games.
- C. Policy guides Regional Hosts on scheduling and Regional format to alleviate inconsistencies.

III. FINANCIAL IMPACT:

- A. Try to minimize travel and expenses.
- B. None
- C. None

IV. NOTES:

- A. NEW: A coach may coach a player any time during the match so long as the coach is off the court, and the coaching does not interfere with play. Coaches cannot interfere with play during the point. The purpose of coaching is to offer advice to the player and coaches shall not in any way distract or annoy the opposing player or surrounding players/teams. If a coach in any way interferes with play or distracts an opposing player at any time, the coach shall receive a direct warning from the Referee or Official and the point shall be replayed (when USTA officials are not around, the opposing coach or tournament director may request a replay). For any subsequent violation, the coach's player, on the court where the violation occurred, shall be assessed a point penalty (by the offended coach or the tournament director). Penalties for coaching are not treated as part of the USTA Point Penalty System, and they do not accumulate. Coaching is only permitted by the head coach and any registered and or contracted coaches through their respective school. No parents may coach at any time during the match unless they are coaches under contract with their school. Coaching is only permitted outside the fence perimeter. On an empty adjacent court, coaches may stand at the doubles sideline on the same side as their own player.
- B. NEW: Regional Scheduling Format (posted in bulletin) mandates that 1st round playbacks be completed the first day, and outlines the schedule for matches to be played on the finals day.
- C. The CHSAA Lineup Evaluation Committee Protocol:
 - a. A formal complaint about the same high school team must be made by two separate athletic directors to the CHSAA office.
 - b. The CHSAA will then send a letter to the school in question alerting them to this complaint, and the CHSAA will request documentation from challenge matches.
 - c. A committee of three members (from the CHSAA Tennis Committee) will go out within a short timeframe to evaluate the player(s) in question during a match.
 - d. If the committee feels that blatant stacking is happening, the school must correct their lineup for the next match and the rest of the season, or the head coach will go on Restriction with the CHSAA and that position cannot participate in regionals or qualify for state.
- D. Girls' regional tennis hosts should avoid scheduling on highly participated IB testing days, when possible.

- E. In order to maintain a fair and consistent tryout process, schools may only begin formal challenge matches for team line-ups beginning on the first formal practice dates. Players may be encouraged to practice in the off season, but any individual match results may only be used as a guide. Per the ethics rule, official challenge matches must still occur and be formally documented during the tryout process.
- F. Unacceptable formats for challenge matches include: tiebreakers, groundstroke games, and flipping a coin. Coaches must create a fair and equitable tryout process for all participants.
- G. 5A - When scheduling matches, the committee highly recommends not waiting until the last day of league play (Thursday) due to potential weather rescheduling. Please build a buffer into your schedule.
- H. Regional Tournaments may not start earlier than Wednesday during Regional tournament week.

II. INFORMATIONAL ITEMS

- A. The Tennis Committee will meet the Monday before the state tournament to bracket each of the seven positions. No outside coaches are allowed to attend. In order to gain feedback from coaches across the state, the CHSAA will create an official online State Tennis Poll for the coaches to voice their opinions and feedback regarding the best teams/individuals in state. This poll will happen the Sunday following regionals.

The bracket creation process is as follows:

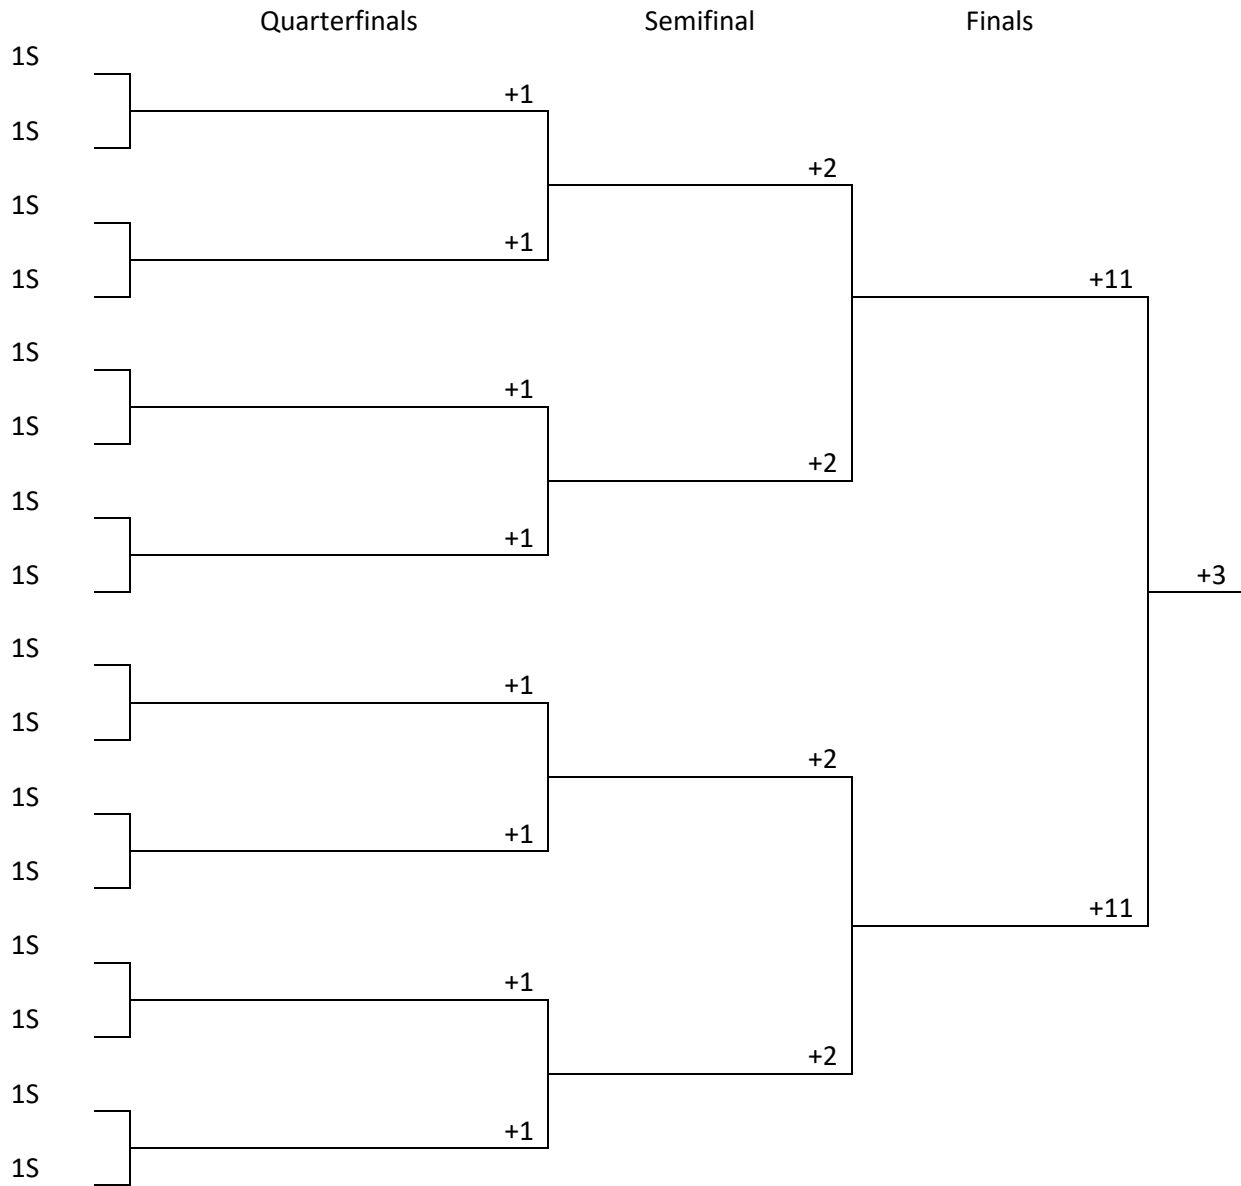

1. All 16 individuals/teams will be considered for placement on the draw.
 2. The top four individuals/teams will be placed.
 3. The remaining regional winners (#1's) will be randomly drawn for places on the draw.
 4. The committee shall consider the following factors (in no particular order of importance): strength of league, overall record, strength of competition, head-to-head competition and common opponents.
 5. The regional finishers (#2's) will then be randomly drawn for matches against a regional winner.
 6. All regional winners will be paired against a regional finisher.
 7. No two teams or individuals from the same region will play each other during the first round of the state championship.
- B. The committee recommends that the following state sites are used: 5A – Gates Tennis Center, 4A – Pueblo City Park, 3A – Centennial Park in Greeley

- VIII. STATE DRAWS** – Only those teams who have four or more positions appearing on the state brackets are eligible for the state team championship title and/or runner-up title.

IX. COMMITTEE MEMBERS:

Ed Anderson, Chair, Chaparral; Angie Sanders, Conifer; Chase McBride, Niwot; Richard Judd, Kent Denver; Steve Longwell, Eaton; Arlandus Lowe, Overland; Karl Buck, Mountain Range; Christina Curtis, Delta; Kristi Brethauer, Heritage; Norm Vail, Pueblo South; Dina Fuqua, The Vanguard.
