

SPORTS MEDICINE ADVISORY COMMITTEE (SMAC)

Larry Bull, Cherry Creek School District
Chair

ADM 7
Report No.

I. MAJOR CHANGES:

- A. Every member school is required to create a venue-specific Emergency Action Plan (VEAP) for each site that the member school practices and hosts athletic contests. (Template is being created for consistency). The VEAP must include location, emergency access, emergency contact information and a listing of each member in the protocol's duties.
- B. An Annual VEAP training must take place no less than one time a year.

II. RATIONALE:

- A. Creates greater student safety and risk minimization for the school. The VEAP saves time, and potentially, lives.
- B. Annual Training is crucial for the success in executing the VEAP with normal staff turnover in schools.

III. FINANCIAL IMPACT:

- A. None
- B. None
- C. None

VI. INFORMATIONAL ITEMS:

- A. The Sports Medicine Advisory Committee is comprised of medical professionals, school administrators, athletic trainers, and coaches. The committee is designed to put forth best practices and recommendations to the membership.
- B. The logo and Videos are being completed for Head, Heart and Heat program.
- C. SMAC provides several resources on their SMAC webpage and in the SMAC handbook.
