Chris Noll, Colorado Springs District 11
Chair

CR 16
Report No.

I. MAJOR CHANGES FROM LAST YEAR’S REPORT:

A. Establish new 6-man dates for the end of regular season and playoff schedule. The regular season will end on October 26, 2019. First round playoffs would begin November 2, 2019. The State Championship game will be scheduled for November 23, 2019.

B. Seeding Criteria language was modified for 1A-4A classifications to utilize data to seed the playoff bracket. The four sources of data computed for seeding would be equally weighted: RPI; MaxPreps; Packard Ranking; Coaches Poll.

C. Seeding Criteria language was modified for the 5A classification. Conference champions will receive automatic qualifier onto the playoff bracket. The next qualifiers are the next highest 17 teams in the final RPI rankings of the regular season from all teams outside the Metro 10. Total 23 qualifiers. The 24th qualifier or At-Large qualifier will be determined by the seeding committee. The Metro 10 Conference can have, at maximum, two qualifiers. The second qualifier can only qualify for the bracket via the At-Large process.

D. Increase the allowable practice time for the regular season and post-season by twenty minutes. The time will be allotted for dynamic warm-up and non-contact instructional time. The dynamic warm-up and instructional time will be helmets only, no shoulder pads. The instructional time will follow the USA Football Fundamentals model.

E. The final conference alignments for the 2020 and 2021 seasons will be approved by the CHSAA Board of Directors at their June meeting.

II. RATIONALE:

A. The 6-man classification would like to return to the regular and post-season schedule for that was used during the previous cycle.

B. The seeding committee will have consistent data from four sources to seed the playoff bracket. Conference champions will receive an automatic qualifier onto the playoff bracket. The remainder of the teams will be selected utilizing the final RPI Rankings. Head coaches are required to vote 8 of 10 weeks (3A-5A) or 7 of 9 (1A-3A) in the Coaches Poll during the regular season.

C. The seeding committee will have consistent data from four sources collected to seed the playoff bracket. Conference champions will receive an automatic qualifier onto the playoff bracket. The remainder of the teams will be selected utilizing the final RPI Rankings. Head coaches are required to vote 8 of 10 weeks (3A-5A) or 7 of 9 (1A-3A) in the Coaches Poll during the regular season.
D. This will enable coaches to have enough time to ensure student-athletes have proper warm-up. The USA Football Fundamentals can include: Tackling Tubes; Shadowman; Form fit tackling and Teaching progression.

E. With the new timelines approved by CLOC in April, this will allow football programs to begin scheduling.

6-Man QUALIFYING FORMAT
The seeding committee will be made up of 1 member from each conference. No coaches are permitted to serve on the committee. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

Following the end of the regular season, the procedures listed below will be utilized to capture the playoff bracket and serve as the criteria used for seeding the bracket.

The top 16 teams in the classification based on the final RPI rankings will be placed into the post-season bracket. If a conference champion is not ranked in the top 16 based on RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 16.

Seeding Criteria (once qualifiers are determined)
- Seeding numbers 1-8 will be seeded according to the final RPI standings and will be the home teams in Round 1. Teams that are seeded numbered 9-16 will be seeded using RPI and
geography. When possible, conference opponents will not be paired against one another in the first round.

- Conference champions not ranked in the top 16 of the final RPI will be placed in the bracket but conference champions are not guaranteed a top-8 seed.

**Information Items**

- Playing a JV team will not count for the Final Ratings Percentage Index (RPI)
- A team that wins due to forfeit will count the game as a win for their season record. A team that forfeits a game will count the game as a loss for their season record.
- If a school fails to field a team before the start of the season (does not play a game) each scheduled game they were supposed to play shall be counted as a no contest.
- If a team plays at least one game and discontinues its schedule, each of its remaining games scheduled prior to the season shall count as a forfeit and will be computed into the power points.

For example, if the No. 8 vs. No. 9 seed are both league champions, the higher seed will host the game. Once seeded, the seeds of the teams will not change, regardless of who hosts the game.
- A conference champion not ranked in the top 10 of the seeded playoff bracket will be placed in the bracket but will not host a first-round game.
- A conference champion not ranked in the top 16 of the final RPI rankings will be placed in the bracket but will not be guaranteed a top 10 seed and will not be guaranteed to host a first-round game.

**Seeding Procedure**

- Conference champions that are ranked in the top 16 of the final RPI rankings are placed on the board for consideration.

1A QUALIFYING FORMAT

The seeding committee for the 1A through 5A classifications will be the members of the football committee, minus any active coaches. If necessary, replacements for the active coaches will come from the same classification in roughly the same geographic area of the state. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

Following the end of the regular season, the procedures listed below will be utilized to capture the playoff bracket and serve as the criteria used for seeding the bracket.

The top 16 teams in the classification based on the final RPI rankings will qualify for the post-season bracket. Each conference champion will automatically be placed on the playoff bracket. Conference champions are determined by the conference Bylaws or policies. If a conference champion is not ranked in the top 16 based on the final RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 16.

Seeding Criteria (once qualifiers are determined)

- Four sources of data will be collected and used when seeding teams for the playoff bracket: RPI Ranking System; MaxPreps; Packard Rankings; Coaches Poll. Each source of data collected at the end of the regular season will be equally weighted.
- Coaches Poll: All Head coaches are required to vote 8 of 10 weeks (3A-5A) or 7 of 9 (1A-3A) in the on-line Coaches Poll during the regular season.
- Head coaches that have met the above standards will have the opportunity to vote in the final on-line Coaches Poll at the end of the regular season.
- The sources of data collected will be utilized to place teams on the 16-team bracket. Once on the bracket, teams can be moved one spot at maximum based upon a head-to-head regular season game, if they are consecutive seeds on the bracket.
- If the scenario exists where three or more consecutive seeded teams have all played one another, they will remain as originally placed on the bracket.
- A conference champion not ranked in the top 16 of the final RPI rankings will be placed in the bracket.
- When possible, conference opponents will not be paired against one another in the first round and geography will be a consideration in the first round. These adjustments can be made for seeds #9-16.
Informational Items

- Following the first round of the playoffs, if both teams have played the same number of home games during the playoffs, the team with the higher seed will host.
- The 1A championship home site must accommodate a seating capacity equal to twice the maximum enrollment of the respective classification. Example: 1A has an enrollment maximum of \( 407 \times 2 = 814 \). Minimum seating capacity. Bleachers may be brought in to the site to accommodate the seating requirement.

### 5A QUALIFYING FORMAT

The seeding committee for the 1A through 5A classifications will be the members of the football committee, minus any active coaches. If necessary, replacements for the active coaches will come from the same classification in roughly the same geographic area of the state. The committee will meet at the CHSAA office on the Sunday following the final week of the regular season.

Following the end of the regular season, the procedures listed below will be utilized to capture the playoff bracket and serve as the criteria used for seeding the bracket.

Six conference champions will receive an automatic bid onto the playoff bracket. The next 17 qualifiers will be determined by the final RPI rankings from all teams outside the Metro 10. This is a total of twenty-three playoff teams. The final bracket playoff spot will be an At-Large bid determined by the seeding committee.

The top 23 teams in the classification based on the final RPI rankings, outside of the Metro 10 Conference, will be placed onto the post-season bracket. If a conference champion is not ranked in the top 23 based on RPI ranking, they will replace the lowest ranked team that is not a conference champion in the top 23.
The Metro 10 Conference can have, at a maximum, two qualifiers. The second qualifier can only qualify for the bracket via the At-Large process.

The top eight seeded teams will receive a first-round bye, and host in the second-round of the playoff bracket. Teams seeded numbers 9-24 will play in the first round, with the higher seeded team hosting.

**Seeding Criteria (once qualifiers are determined)**

- A conference champion not ranked in the top 23 of the final RPI rankings will be placed in the bracket but will not be guaranteed a top 8 seed and will not be guaranteed to host a first-round game.
- When possible, conference opponents will not be paired against one another in the first round.
- Geography will be a consideration in the first round.

**Playoff Hosting Policy and Procedure**

- On each schedule, the first scheduled (chronologically) non-classification opponent shall count toward RPI for the next higher classification. A first scheduled 4A opponent would count as 5A points for a 5A team.
- 5A semifinal sites must accommodate a seating capacity equal to or greater than 5,000. Playoff schools that cannot accommodate the minimum seating capacity of their classification must designate a regional site prior to their first playoff contest.

* - The Metro 10 can qualify for the postseason under the following circumstances: The league champion will automatically qualify for the postseason. A second team can be considered for placement on the bracket through the at-large process conducted by the seeding committee. The league can, at maximum, have two postseason qualifiers.

I. **POLICIES (ALL CLASSES):**

1. **Forfeits:**
   
   A. A team that wins because it is awarded a forfeit will count the game as a win for its season record. A team that loses because of a forfeit will count the game as a loss for its season record.
   
   B. If a school fails to field a team and does not play one game, each of its scheduled games shall be counted as no contest.
   
   C. If a school plays at least one game and discontinues its schedule, each of its games scheduled prior to the season shall count as a forfeit and will be computed in the RPI standings. If a non-conference game is canceled because a team discontinues its schedule, a school may reschedule another game during that week to replace the forfeit or accept the forfeit.
   
   D. All games scheduled after the start of the season must be approved by the Commissioner to count in the RPI standings.

2. **RPI Tie-breaker:**
   
   A. If two teams have the same RPI in the final standings, the following tiebreaker shall be used (in the order listed):
      
      1) Head-to-head competition
      2) Winning percentage
      3) Opponents’ winning percentage
      4) Opponents’ opponents’ winning percentage
      5) Highest-rated win against a team in the final RPI standings
      6) Next-highest rated win until the tie is broken
      7) Coin flip

3. Teams playing an opponent twice will receive separate RPI points.
4. JV opponents will not accumulate Final RPI Standing points.
5. Enrollment for out-of-state schools will be equated to Colorado classifications.
6. The number of points a team scores in a game will have no bearing on the RPI point system.
7. **NO GAMES - conference or non-conference - WILL END IN A TIE.** If the game is to be extended, the National Federation tiebreaker method (10-yard line) shall be used.
I. PLAYOFF TIMES, SITES AND OTHER INFORMATION:

1. It is the desire of the Association that schools mutually establish game times and dates which best accommodate the interests of each school and community.

   NOTE: All mutually established game times and dates are subject to final approval by the CHSAA office. When mutual agreement for the game time and date cannot be reached the following statements will apply:

   A. **First round through Quarterfinal Games**: Saturday, 1:00 p.m. and Friday 7:00 p.m. are preferred.

   B. **First round through Quarterfinal Games**: Thursday playoff games will be allowed through the quarterfinals if mutually agreed upon by both teams. If not agreed upon the preferred game times will be Friday at 7:00 p.m. or Saturday at 1:00 p.m.

   C. **First round through Semifinal Games**: When mutual agreement cannot be reached, and travel distance is 150 miles or greater, then the game will be played on Saturday. Friday night will be considered a reasonable option if the distance is less than 150 miles.

   D. Six or seven days rest following the previous game shall be considered adequate and will not be a consideration when establishing the date.

   E. **Semifinal Games Only** - Semifinal games will be played on Saturday, 1:00 p.m. Exception: Semifinal games may be played on Friday, 7:00 p.m. if it is mutually agreed upon by both schools, if there is a facility conflict, or there is a television opportunity.

   F. The Commissioner shall have the sole province to designate game times, dates and sites, including weeks when a school district is hosting more than one game.

2. Stadium Arrangements – The Commissioner (or his designee) has the authority to select the site based on the adequacy of the seating, field conditions, etc.

3. Playoff games shall not be postponed without the permission of the Commissioner (or his/her designee).

4. The Commissioner (or his/her designee) shall have the authority to select an alternate site in the event of poor playing conditions.

5. Determining sites for State Football Playoff Games (**ALL CLASSIFICATIONS**) - In the opening round of the state playoffs, the teams with the higher designation (No. 1 higher than No. 2) will host.

   The home team at each subsequent playoff game shall be that team which has had the fewer home games during the state playoffs. If both teams have had an equal number of home games, then:

   In Class **6man & 8man**, a coin flip will be conducted by the Commissioner to determine home site.

   In Class **1A/2A/3A/4A & 5A**, the team with the higher designation will host that game.
The home team at each subsequent playoff game shall be that team which has had the fewer home games during the state playoffs. If both teams have had an equal number of home games, then:

In Class A6 & A8, a coin flip will be conducted by the Commissioner to determine home site. In Class 1A/2A/3A/4A & 5A, the team with the higher designation will host that game.

**EXCEPTIONS:** In 2A, the championship game will be played at Colorado State University-Pueblo. In 3A, the championship game will be played at Colorado State University-Pueblo.

For bracketing purposes, the team designated on the bracket or by a coin flip shall remain as the designated home team regardless of where the game is played.

**Situation 1:** Team A is designated the home team by a coin flip but will not guarantee Team B’s expenses. Team B guarantees A’s expenses and hosts the game.

**Ruling 1:** For future site consideration, Team A has played a home game, while team B has been away.

**Situation 2:** Team A wins the coin flip, but chooses to travel to Team B.

**Ruling 2:** Team A has been home; Team B has been away.

**Situation 3:** Team A, designated as the home team, cannot meet the seating requirements and plays the game at Team B’s field.

**Ruling 3:** Team A has been at home; Team B has been away.

**Situation 4:** Teams A and B agree to play at a neutral site.

**Ruling 4:** Home and visiting team must still be designated based on the criteria above.

6. State playoff officials for all classifications will be assigned by the CHSAA office.

7. For all playoff contests, there will be an exchange of the most recent two complete digitals. If one school films/videos and the other school does not, the upcoming opponent may secure a film from a previous opponent so that an exchange of digitals can be completed. The exchange must be consummated by 12:00 noon on Monday preceding the next contest. If distance is a factor, schools must use overnight mail to insure meeting the deadline.

8. A field to be used for any playoff game must have a field clock, or an extra official shall be hired in order that official time may be kept on the field by officials.

9. Five-person official crews will be used in all state playoff contests for football.

10. Regulation field for A8-Man is 40 x 100 yards with 15-yard side zones.

11. **Mercy Rule:**

   In classes 8-man, 1A, 2A, 3A, 4A and 5A and at all levels (all conference and non-conference games), when a 40-point differential exists at any time during the game a running clock shall be used for the remainder of the game regardless of whether the score drops back below the mercy rule differential. (In 6-man, the margin is 45 points). See the following procedures below:

   The clock will **not** be stopped when:
   1. The ball goes out-of-bounds.
   2. A forward pass is incomplete.
   3. A score or touchback occurs.
   4. A fair catch is made or awarded.

   The clock will be stopped when:
   1. The period ends.
   2. Charged or injury time out.

   The mercy rule will **not** be used in any live televised championship games.
12. **Equal Facilities (Field Phone)**

If telephone facilities for both teams are provided as a standard practice (during the regular season) at a playoff site, then the same number of telephone facilities must be provided for both teams. This number must stay consistent throughout the contest. If one set of phones becomes inoperable during the contest, then neither team may use the phones initially provided. Teams are permitted to bring their own set of phones to a contest. These phones will be considered "extra" and are not under the procedure as outlined above.

The responsibility for notifying both teams of phone problems should belong to the referee.

If a school does not provide phone facilities to both teams as a standard practice (during the regular season), then it is up to each team, home or away, to provide its own phones. The home team will not be required to provide phones to the visiting team if it is not done during the regular season.

13. **Warm-up Time**

A minimum of 45 minutes should be allowed for each team for pre-game warm-up.

### III. INFORMATIONAL ITEMS

1. **State Association Adoptions:**

   The NFHS rulebook (Table 1-7, page 23) delegate's authority to the state associations for certain rules. The following shall apply in Colorado:

   **1-1-4 Note** Determining the number of game officials – A6 = 4, A8 = 4 (5 preferred); 1A-5A = 5.

   **1-3-2 Note** Mandating specific ball for all playoff competition – Any NFHS approved Wilson ball must be used for all playoff contests.

   **1-3-7** Use of supplementary equipment – Authorized.

   **1-5-1c4 Note** Commemorative Patches – Must be requested of CHSAA on a case-by-case basis.

   **1-5-2d** Use of artificial limbs – Authorized.

   **1-5-3b Note 1** Use of drum for deaf teams – Authorized.

   **1-5-3b Note 2** Use of device to enhance a required hearing aid – Authorized.

   **3-1-1** Procedure to resolve ties- NFHS overtime procedure.

   **3-1-2** Mercy Rule – Running clock procedures are on p. 8 of the football handbook.

   **3-1-4** Continuation of interrupted games – Subject to league policy.

   **3-1-5 Note 2** Length of halftime intermission – Subject to league policy.
3-2-1 Determining when coin toss is held – On the field, 3-5 minutes prior to the scheduled start time.

3-5-7l TV/radio timeouts are authorized when a game is broadcast.

8-3-1 Exc & OT 5-1-1– If a touchdown is scored during the last down of the fourth period or in overtime. The try is not attempted unless the point(s) would affect the outcome of the game.

Rule 1 Size of A6 and A8 fields – 100 yards for 8-man; 80 yards for 6-man.

2. The football committee strongly recommends that coaches share film with officials following each contest in an educational effort to improve the game.

3. The CHSAA Football Advisory Committee reminds schools that in the case of extreme travel, teams can elect to establish a site more conducive to that travel for a playoff game. This does not, however, alleviate the home school of its responsibility as host.

4. The Wilson football has been the designated ball for the CHSAA playoffs and must be used in all playoff games.

5. It is strongly encouraged that leagues do not use a point differential as a tie-breaker in league standings. Having point differentials as part of the criteria has created hard feelings and unsporting acts, due to late scoring attempts to reach the maximum point differentials.

6. P. A. announcers shall remain neutral.

7. Schools should assign official’s escorts to and from the locker rooms at halftime and at the end of the game. Officials should never be escorted through spectators.
