Amend the Track and Field Committee Report to read:

Amend the Track and Field report to read:

_____ That in the last week of the regular season, track and field teams will be allowed
yes no to attend two meets during that time. The restriction of participating only in one
meet that final week of the regular season will be eliminated.

Rationale: Allow for students to attend multiple meets in the final week of the season in arguably the best weather time in the season for qualifying for the state meet.

Pros: Allows for student-athletes to gain another opportunity to participate in events that they are trying to qualify in.

Cons: None
