V. QUALIFYING FORMAT:

DISTRICTS (1A ONLY)

A. District sites will be selected by the appointed school administrators. Designated school administrators will poll the assigned schools within a district in the spring of the year and report the site to the CHSAA according to the established rotations.

B. Districts are played for placement of teams into the regionals. All districts qualify three teams to regionals.

C. Matches that do not impact the regional qualifiers (1st, 2nd, or 3rd) will be the best 2 out of 3 sets (3rd set to 25 – no cap).

D. Officials will be selected by the district tournament committee. Line judge fees will be part of the tournament expenses. If available, registered officials shall be used as line judges.

E. There will be a minimum 15-minute rest period between matches for teams playing back to back. The 15 minutes will begin as soon as the court is cleared from the preceding match. The 15

minute warm-up will begin after this 15 minute rest period (where applicable). It is the responsibility of the home site's management to oversee warm-up time.

The following format is highly recommended:

- 5 minutes – Both teams on their side of the court.
- 5 minutes – Visiting team both sides of the court (including serving).
- 5 minutes – Home team both sides of the court.

F. AWARDS – One district winner and one district runner-up award will be given to the first and second place teams from districts.

G. Protection options for districts:

1. OPTION A – If an entire league is assigned to one district, the league may elect to dispense with district tournament play. League standings would then determine the qualifiers.
2. OPTION B – If an entire league is assigned to one district, the league may elect to play a district tournament and guarantee their league champion a regional berth.
 - a. The league championship must be won outright, as determined by the league, to guarantee a regional berth.
3. OPTION C – In multi-league districts, there is no qualifier protection; tournaments must be played to determine qualifiers to regionals. Leagues may not supersede this rule.
 - a. District Pairing and Seeding Procedures
 1. Districts must decide and submit their seeding procedures prior to the volleyball districts. Teams will be seeded by the district seeding committees.
 2. If there is one outside team in the district and if there is not unanimous agreement by all participants in the district regarding how this team is to be seeded, the outside team will be placed in a pool as either the #3 or #6 seed according to their league winning percentage, overall record, and/or head-to-head competition within teams in the district.
 3. If there are two outside teams in the district and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, the outside teams will be placed in opposite pools with one team seeded #3 or #6, and the other team seeded #4 or #5 according to the league winning percentage, overall records, and/or head-to-head competition.
 4. If there are three outside teams in the district, and if there is not unanimous agreement by all participants in the district regarding how these teams are to be seeded, two will be placed in one pool and the other one in the opposite pool according to league winning percentage, overall records, head to head competition, league finishes, etc.

TIE BREAKER METHOD (for CHSAA Playoff Competition)

**In the case of a tie, the Tournament Director must call the CHSAA Volleyball Administrator *BEFORE the tie breaker in order to verify (720-581-8102)*. All involved teams must sign off verifying they are in agreement that the tie was broken accurately using the following method.

1. Match record determines the seed for advancement (i.e. match record 3-0, 2-1, 1-2).
2. Always use head-to-head whenever two teams are tied.
3. **REGIONALS & DISTRICTS ONLY:** If there is a three-way tie for only one qualifying spot, OR if there is a three-way tie for two qualifying spots, OR If there is a three-way tie for three qualifying spots, determine set percentage among TIED teams (eliminate non-tied teams). The two lowest set percentage teams will play one set to 25 points (no cap). The winner will then immediately play the highest set percentage team to determine the top seed/qualifying spot in question. If two teams are tied with the highest set percentage, use head-to-head to break the tie. THERE MUST BE TWO, ONE-SET PLAYOFFS.
 - a. If tie isn't broken, then same procedure will be followed taking point differential among TIED teams (eliminate non-tied teams).
 - b. If the tie isn't broken, then the same procedure will be followed taking the set percentage among ALL teams.
 - c. If tie isn't broken, then a **coin flip** will occur. All three teams will flip at the same time. You must flip until one team flips differently than the other two (i.e. 2 heads and 1 tails). The "odd" team out (tails in this case) will be set aside and the other two will play the first set to 25. The loser will be #3; the winner will then play the "odd" team out one set to 25 to determine #1 and #2.

Three-way tie for 3rd place required two, one-set playoffs to 25 points

#1 seed Mountain View (highest set percentage)

#2 seed determined by two one-set playoffs to 25 points; Palisade is set aside, so Glenwood plays Falcon first. Glenwood beat Falcon, then beats Palisade to advance as the 2nd seed.

(1A-5A REGIONALS) THREE-WAY TIE FOR STATE QUALIFIER SPOT

				W	L	Won	Set Percentage	Point Diff (if needed)	RESULT

Three-way tie for one state qualifier requires two, one-set playoffs to 25 points

Team 1 (highest set percentage) – Set Aside

Team 2 & Team 3 must play one-set playoffs to 25 points; Team who wins will then play Team 1 (one-set playoff to 25 points) for the state berth

THE DISTRICT/REGIONAL SITE DIRECTOR SHALL USE THIS CHART TO POST POINT DIFFERENTIAL AND MATCH RESULTS FOLLOWING EACH MATCH THROUGHOUT THE DAY. THE TEAMS MUST REMAIN ON SITE THROUGH CONCLUSION OF POOL PLAY IN CASE A PLAYOFF IS NEEDED.

FOR USE BY SITE DIRECTORS ONLY

In the case of a 3-way tie for 1st, 2nd, or 3rd place in district or regional tournaments, the site director is required to call (720) 581-8102 before the tie breaker begins in order to verify accuracy for final standings. Tournament standing will be final after 1 pm on the Monday following the tournament.

For districts/regionals, there will be a 15-minute break and then the 15-minute warm-up will begin. At state, there still be a 7-minute break and then the 8-minute warm-up will begin.

DISTRICT CLASS 1A (1-87)

District play will be 3 out of 5 sets to 25 points with a deciding set to 15 points using rally scoring (no cap). Matches that do not impact the 1st, 2nd, or 3rd place qualifiers will be the best 2 out of 3 sets (3rd set to 25 – no cap)

1A PIGTAILS

If there is an odd number of teams in a district, pigtails may have to be played to arrive at an even number to lessen the number of matches required, if pool play is selected.

TIES

Ties are not considered; the tie-breaker procedure must be used.

REGIONALS (ALL CLASSES)

1. All Regionals have three teams – a total of three matches will be played. All regional winners will automatically earn a berth to the state championship.
2. The highest seed in each regional will host.
3. The order of regional play will be as follows: 1 v. 3; 2 v. 3; 1 v. 2.
4. Matches will be 3 out of 5 sets to 25 points, with deciding set to 15 points using rally scoring (no cap) used for regional play. Matches that do not impact the State Qualifier (1st) will be the best 2 out of 3 sets (3rd set to 25 – no cap). **This will only happen if Team 3 beats Team 1 and Team 2 in the first two matches.*
5. It is recommended that a minimum of 30 minutes is scheduled in-between matches in order to accommodate for adequate rest (15 minutes) for the team that is playing back to back.
6. The 15-minute warm-up is strongly recommended. It is the responsibility of the home site's management to oversee warm-up time.

The following format is highly recommended:

- 5 minutes – Both teams on their side of the court.
 - 5 minutes – Visiting team both sides of the court (including serving).
 - 5 minutes – Home team both sides of the court.
7. The tie-breaker procedure must be utilized. The hot line number must be used whenever there is a tie to verify tie-breaker accuracy for final standings. **Ties during regional play will be limited to 3-teams tied for 1st. There must be two, one-set playoffs to 25 (no cap).*
 8. AWARDS – One state qualifier plaque will be awarded to the regional winner advancing to state.
 9. OFFICIALS – Officials will be selected by the regional directors/tournament committee. Line judge fees would be part of the tournament expenses.

1A Regionals

With three teams in each regional, only one court is necessary. Team 1 may host at their home school, if they wish. Discussion should happen in advance between the districts involved. Those schools hosting regionals should have adequate seating capacity. Standards without cables attached to floor should be used for safety reasons.

Wildcard Teams (4) – Will be selected after the completion of the regional tournaments. Teams will be selected based off of the CHSAA Rankings published the **Monday after Regionals**. Teams must have participated in regionals in order to be considered as a “wildcard team” to the state championship. Based off of the rankings, the wildcard teams will be the next four highest ranked teams that made it to regionals but did not win. Eight regional winners, plus these four wildcard teams will advance to state. Wildcard teams will be announced with the state pairings on the Monday before state.

VI. INFORMATIONAL ITEMS:

- A. The CHSAA ranking system will be updated on our website. **All athletic directors are responsible for ensuring that their schedules are up to date and correct in MaxPreps prior to the deadline.** In the event that two teams have the same ranking in the final standings, the following tiebreakers shall be used (in order):
1. Head-to-head competition
 2. Winning percentage
 3. Opponents' winning percentage
 4. Opponents' opponents' winning percentage
 5. Highest-rated win against a team in the final RPI standings
 6. Next-highest rated win until the tie is broken
 7. Coin flip
- B. It is strongly recommended that coaches be clear on the number of matches their team will play in a given tournament. This information must be included in the tournament contract and all volleyball tournament must be sanctioned by the CHSAA office.**
- C. It is strongly recommended that 2 out of 3 sets be played at all sub-varsity levels to enhance time management constraints. Further recommendations to shorten nights include:
- Scheduling 2, 3 or 4-team round robins on Saturdays when possible to lessen time for week night matches.
 - Monitoring warm-up time between matches.
 - Flipping coins before the first sub-varsity match for all matches that will be played that evening/day.
 - Use of multiple nets and/or gymnasiums where available.
- D. Regionals must be played Friday or Saturday. Postseason (District and Regional) play is strongly recommended for Saturdays to lessen missed school time and alleviate travel time. Due to constraints with officials and the large number of Regionals, play on Saturday afternoon should be considered (instead of Saturday morning).
- E. It is recommended that site directors & regional tournaments build in a minimum 30-minute rest period for teams having played back-to-back matches prior to a subsequent match.
- F. Line judges will use flags at the State Tournament. District and Regional site directors should use flags.
- G. In the case of inclement weather, the tournament director, in conjunction with the CHSAA office may obtain permission to not play matches that appear to have no bearing on the result.
- H. The official game ball of the CHSAA is the Wilson K1 Gold – Red/White/Navy color
- I. State Association Adoption of NF Playing Rules:
1. 1-2, note 2 Modification of match format is permitted for other than dual varsity matches.
